Dedication

Mary Scott

It is with great pride that The Lions' Paw of 1972-73 is dedicated to you, Mrs. Scott.

Mrs. Scott teaches high school English and Spanish and is a Junior sponsor. She teaches with excitement and wants her students to feel the same way about their work and studies. She is always there to help whenever and wherever she is needed.

We will miss her next year because she has been a part of making our school what it is today. Our best wishes are with you, Mrs. Scott, and thanks for everything you did for our school.

Mrs. Scott also enjoys making her husband happy just as she does her students.

Mrs. Scott always teaches with a smile and that alone makes her students want to learn.

Before School

The last few minutes before school are spent rushing to get to school on time and into class before the second bell rings.

TOP LEFT: The parking lot fills up and during football season, decorated cars were a very common sight.

TOP LEFT: Cynthia Everage and Eileen Naizer hurriedly get their books for their next class.

OPPOSITE: Students getting off the bus in the morning with sleepy eyes and their minds wondering "What's going to happen today?"

The parking lot gradually fills up, but there is always that one car coming in after the bells have rung. There is also talk of interesting weekends, especially on Monday mornings.

Morning is always the quietest time of the day. There's always that one person who falls asleep on the bus going to school and has to be tapped on the shoulder to make sure he doesn't stay on the bus all day. Although there are sleepy eyes, there are also some happy smiles to brighten up the day.

One of the most exciting mornings was Hippie Day. You could see the small circles of students sitting around in circles before school. Everybody spent their time wondering who was who and wondering where the dress code went.

TOP LEFT: Who could help but notice Alice Pedroza and the carload of people she brought to school every morning.

MIDDLE RIGHT: There was still the smoke from our great big bonfire the next morning. It shows Lion Spirit Never Dies!

FAR LEFT: Pat Vrana is wondering "Who is that?" on Hippie Day.

LEFT: Mr. Goodman thrilled with his first day of driving a bus.

Morning Activities

Morning classes always seem to go by so slowly especially on Monday mornings. First period seems to last forever and noon break seems it will never come.

For some, mornings are spent at school activities away from school like the Band's trip to contest, the girls' volleyball tournaments, track meets, and selling ads.

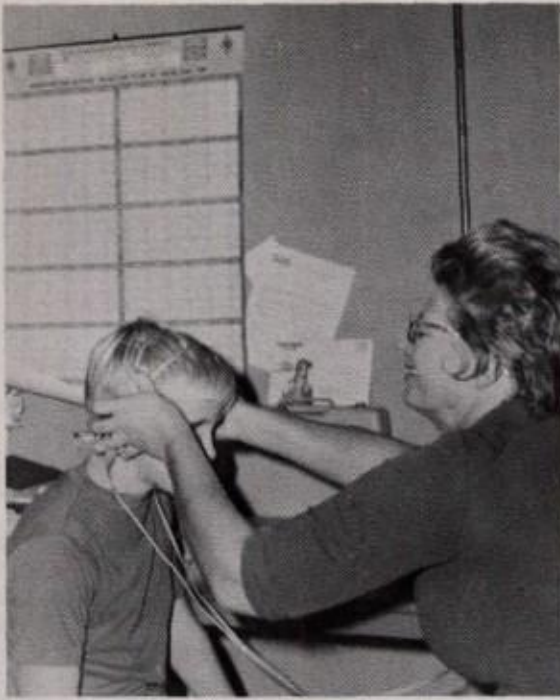

OPPOSITE: The Juniors spent a whole week of mornings working on the Jr. -Sr. Banquet. It seemed that wall of streamers would never stay up. It just kept coming back down.

ABOVE: The band warms up on the bus getting prepared for their contest.

RIGHT: Janet Brown has a happy face as she enjoys the refreshments at an F.H.A. meeting.

Morning classes can be exciting though. The Seniors in Shorthand class will never forget the brief form matches. The freshmen will always remember their first lesson in cooking and sewing in Mrs. Sliger's Homemaking class. There was always the question in Buildings Trades class: "Will we finish this house before school ends?"

Time proved different. The Seniors learned their shorthand, the Freshmen learned to cook and sew, and the building trades class finished their house.

LEFT: The school nurse made her regular check of student's ears and eyes.

MIDDLE: The Building Trades house turned out to be a very pretty one and the boys learned a lot about how much work goes into building a house.

LEFT: Mrs. Schauer can hardly keep the cards going fast enough for the way Susan Scott and Regina White are rattling off the brief forms. It was hard to decide who said the brief form first.

The Juniors learned all about baby care in their Homemaking class. Mornings, especially on Monday, always brought the coaches together to discuss the last week's game. They usually did this over a cup of coffee.

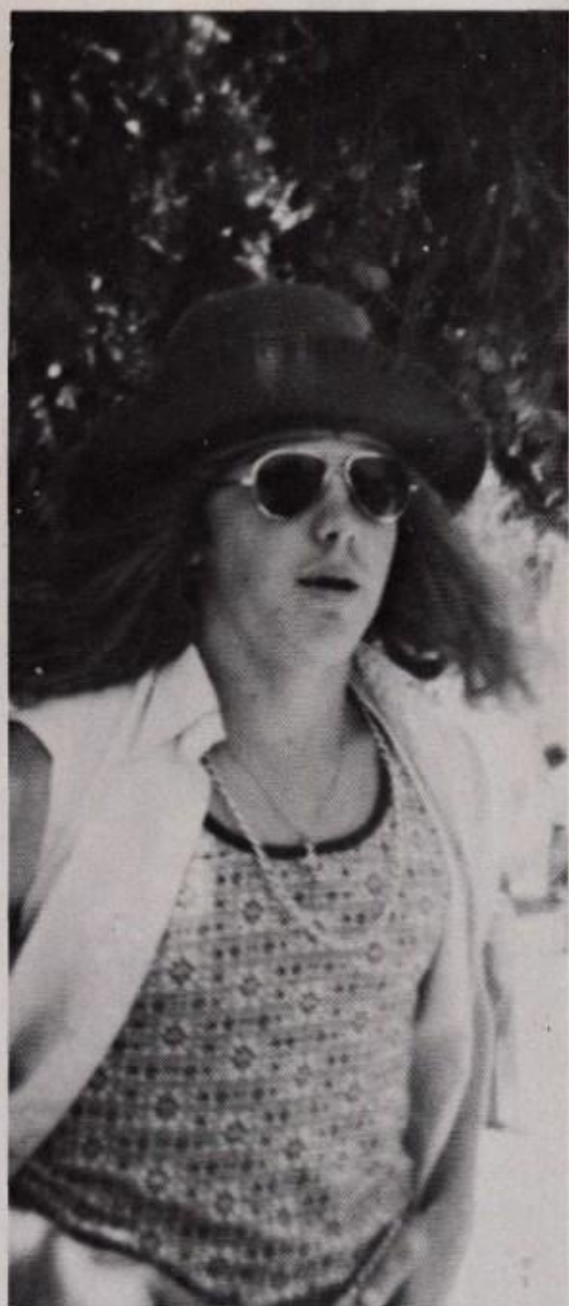

RIGHT: Mrs. Sliger, Monica Gorubec, Janet Brown, Rosemary Caldwell, and Doris Roznovsky watch as Shirley Ross demonstrates how to bathe a baby in Homemaking class.

ABOVE: Coach Schroeder and Coach Duncan discuss last Friday's game and start planning for the next one.

RIGHT: Doesn't Regina White look like a real hippie? It doesn't seem like she's learning much this particular morning, but at least she's happy.

Noon

Noon seems to be the most enjoyed time of the school day. It gives us a break away from classes although it isn't as long as we'd like it to be.

People sit under the trees and on the sidewalks or go to town. Hippie Day brought about a contest, and the judges had a hard time deciding the best dressed hippie.

TOP LEFT: Mike Janak doesn't look at all like himself on Hippie Day but doesn't he look real?

TOP MIDDLE: Donna Kerlin seems to be enjoying her fried chicken at dinner.

LEFT: Students sat around on the sidewalks on those bright sunny days.

ABOVE: "Did the bell ring?"

Afternoon Activities

Afternoon seems to be a time of extra activities and getting out of class for specially called meetings, programs, and pep rallies.

Things seem to happen in the afternoon, especially in sixth period study hall. It seems, though, that more people get in trouble in their afternoon classes.

TOP MIDDLE: Barbara Kubacak gives an interesting speech at our Thanksgiving program.

TOP RIGHT: Mrs. Cory tries to get the point across in Commercial Math class, but seems to be having a hard time of it.

ABOVE: Juniors Donna Bohac, Joanne Naizer, Mike Gorubec, and Rosanne Martine get their stationary to sell at a class meeting.

RIGHT: Natalie Dykowski is accusing someone of taking her purse in study hall.

Going up the stairs for an afternoon class, always brought you face to face with giant posters all over the halls during football season.

Last period finally comes and everybody waits for that last bell to ring.

OPPOSITE: Shirley Ross, Milton Filla, James Pekar, Alfred Cervenska, and Juan Hernandez wait for the bell to ring and wonder if it ever will.

LEFT: Just one of the signs that hung in the halls through football season.

ABOVE: Judy Vitek is very absorbed in her studies in study hall.

BELOW: The Pep Rallies on the football field proved to be just as loud but it sure was cooler than the gym.

RIGHT: Coach James gives his weekly talk at a pep rally.

OPPOSITE: Debra Strmiska and Carolyn Selucky, two cheerleaders, imitate Coach Duncan and Coach Schroeder in a skit at a pep rally.

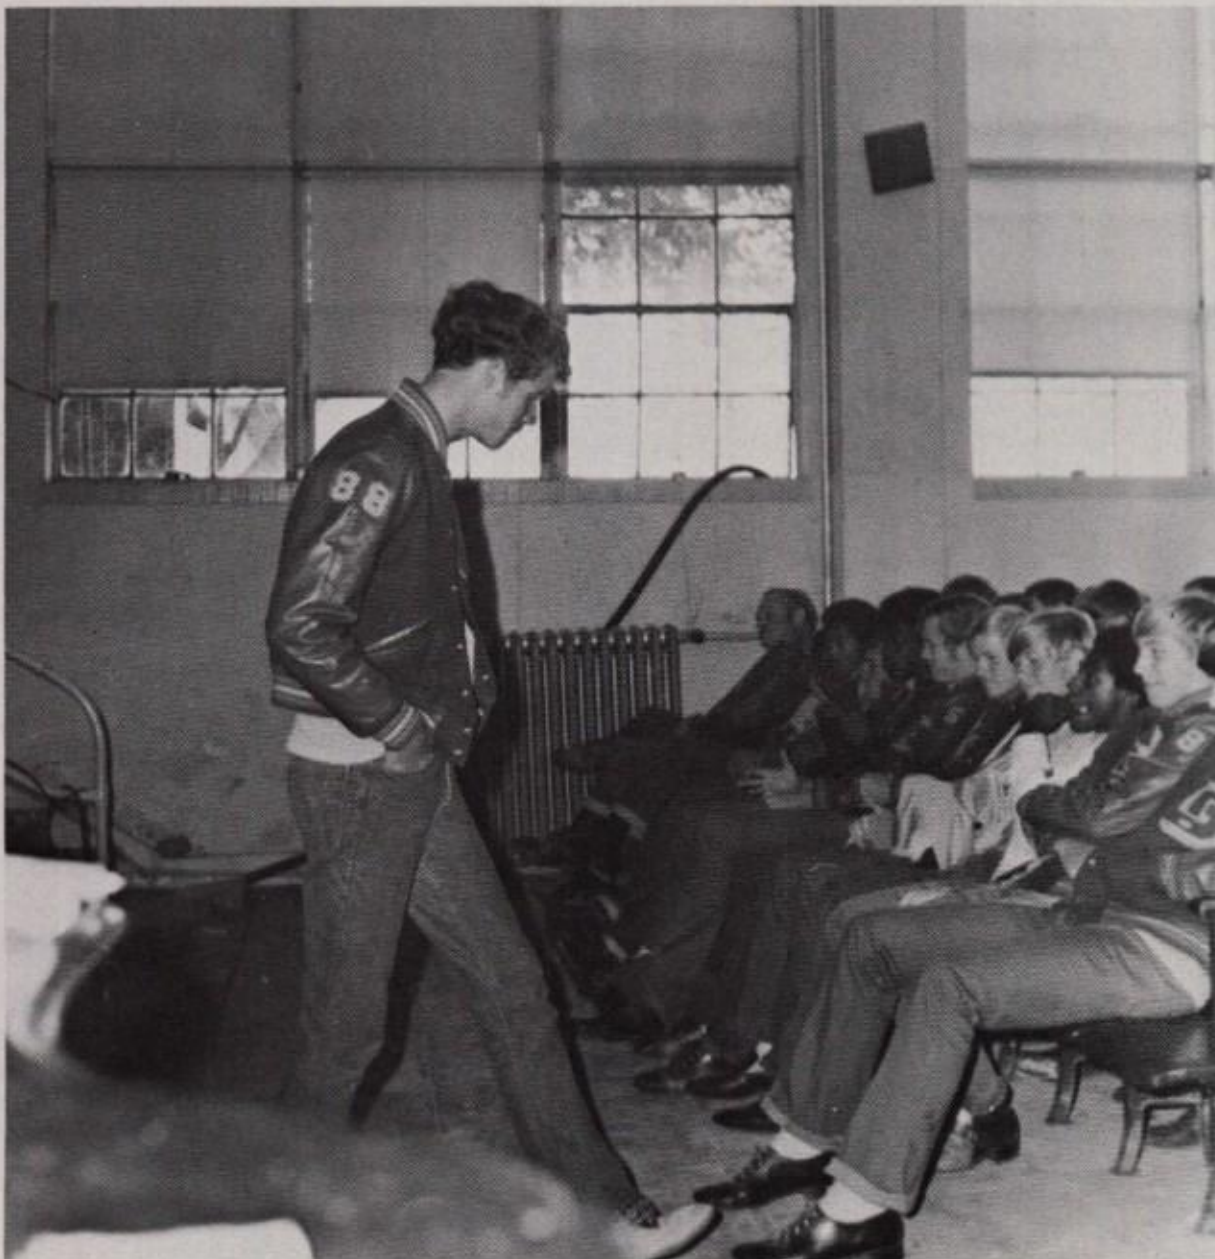

RIGHT: Debbie Hyzak seems to be all excited about the game as she shows her spirit at a pep rally. How could our team lose with that kind of spirit backing them all the way to Victory.

OPPOSITE: The Cheerleaders sponsored a car decorating contest and the best decorated car was announced at the pep rally. Gilbert Polasek's car won with all its eagle feathers over it. Wonder how long it took him to get the glued feathers off.

BELOW: Diane Kotrla and Carolyn Selucky get ready to start off a yell. "V-I-C-T-O-R-Y!"

OPPOSITE: Mike Martine gives his pep talk and thoughts about the game to be played that night. The rest of his teammates listen but they are already fired up about the game. This is the particular pep rally all the Senior football players gave their thoughts to the student body. The Football Team will miss this great bunch of guys.

After School

School is out and everybody is in a hurry to get home or to their job. Much time is spent in football practice, band and pep squad practice, and the cheerleaders spent many hours making signs and trying to get all the spirit they could. The Juniors also spent a lot of time after school getting ready for the banquet.

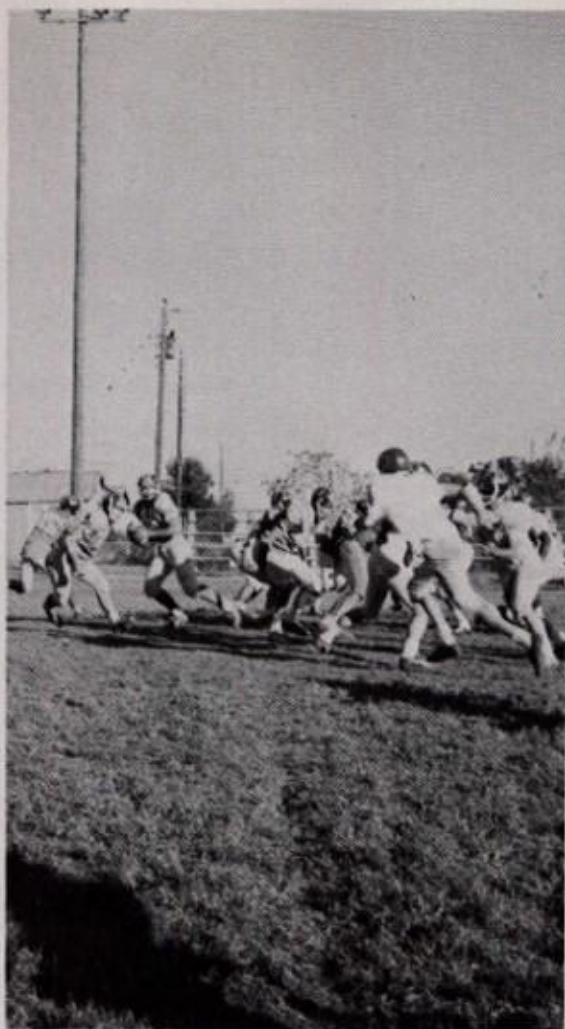

TOP RIGHT: Mike Sanders and George Beard are glad school is over and they're on their way home.

MIDDLE: The School Bus makes its daily run after school, returning students to their homes.

RIGHT: Cars are in line waiting for all the buses to go before they are permitted to leave. We can't forget the many days the horns seemed to be hung.

LEFT: The Football team is getting their extra hours in of practice to make sure that Friday night will bring an unforgettable victory.

ABOVE: Cheerleaders: Lorna Shirocky, Diane Kotrla, Debra Strmiska, Natalie Sykowski, and Carolyn Selucky are making the big sign for the boys to run through at the game Friday night.

OPPOSITE: Donna Kerlin, Theresa Mayberry, Sue Korak, Jimmie Ellis, Judy Hyzak, Bonnie Repa, Rosemary Caldwell, and Janie Kotrla are being told what to do at a practice for marching Friday night by Mr. Goodman and Mrs. Cory. The weather is cold but this never faded their determination to do their best. Friday night proved how much their work paid off.

Night Activities

Night brings the excitement of football games. There isn't anything as exciting as a Granger game, especially when the score is close all the way to the end. But doesn't our team usually end up with the most points after it's all over.

How could our team let down the crowd in the stands that comes to every game? There is just no way, and that's one of the reasons they seldom do.

TOP RIGHT: Jimmie Ellis has a serious face as the School Song is played by the band at a football game.

ABOVE: And Here Come The Mighty Lions!

MIDDLE RIGHT: Mark Hajda recovers a fumble at the Thorndale game.

FAR RIGHT: Mike Janak makes one of his many runs. This just may have been one that went all the way for a touchdown.

RIGHT: Mike Martine makes one of his shots as Leslie Michalik is there just in case Mike doesn't make it. It seems, though, that Mike just added two more points to the scoreboard.

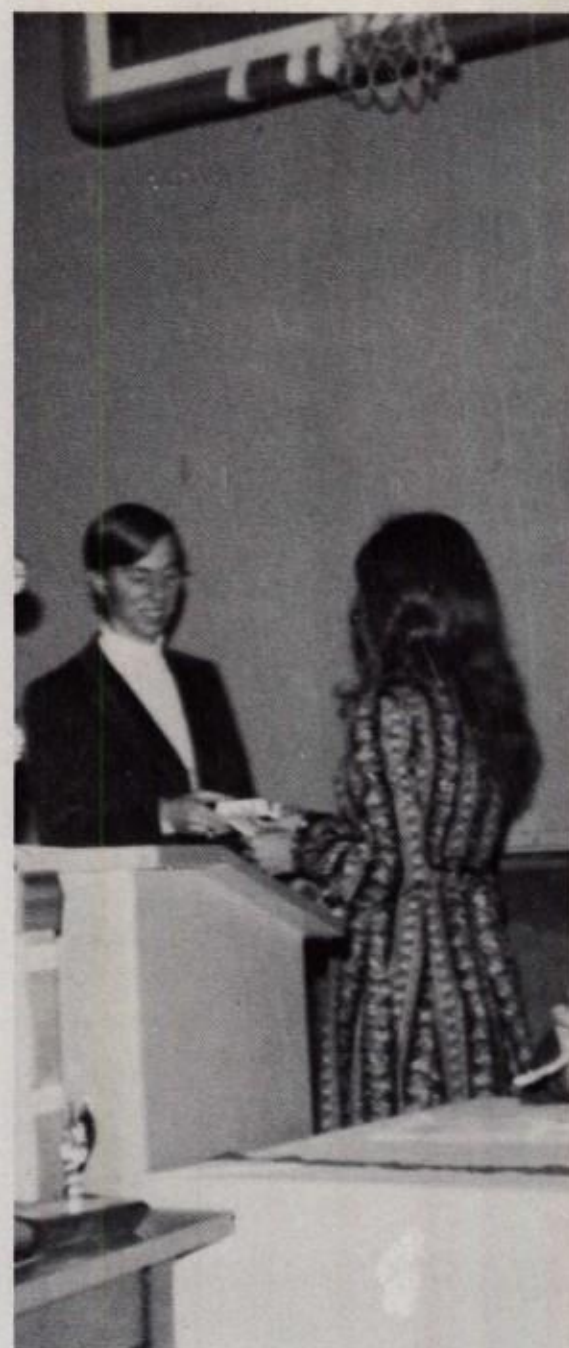

ABOVE: Susan Scott is presented with a bouquet of mums by Joanne Naizer, Drum Major. She was named Band Sweetheart at the last home football game.

LEFT: Coach Tidwell gives Donna Kerlin and Janet Brown instructions on the sideline at a basketball game.

TOP MIDDLE: Lorna Shirocky grabs James Pekar and can't believe it's really true. James and Lorna were named Most Handsome and Most Beautiful at the Annual Preview.

BELOW: King Mike Janak crowns Queen Diane Kotrla at the Annual Coronation. Their court looks on.

The Annual Staff sponsors these activities each year. It is one of their ways of raising money for the annual.

TOP RIGHT: Drum Major, Joanne Naizer presents her band director with a gift at the Band-Football Banquet.

FAR RIGHT: Coach Duncan presents Mike Janak with a trophy for being one of the outstanding players. He was presented at the Band-Football Banquet.

LEFT: Mrs. Sliger; F.H.A. sponsor, Mrs. Schauer; F.H.A. Honorary Member, and Rev. Schauer; speaker for the banquet, enjoy the Annual Mother-Daughter Banquet. The theme this year was "To Mom, With Love." Rev. Schauer gave a very stimulating talk about the love we should have for our great moms.

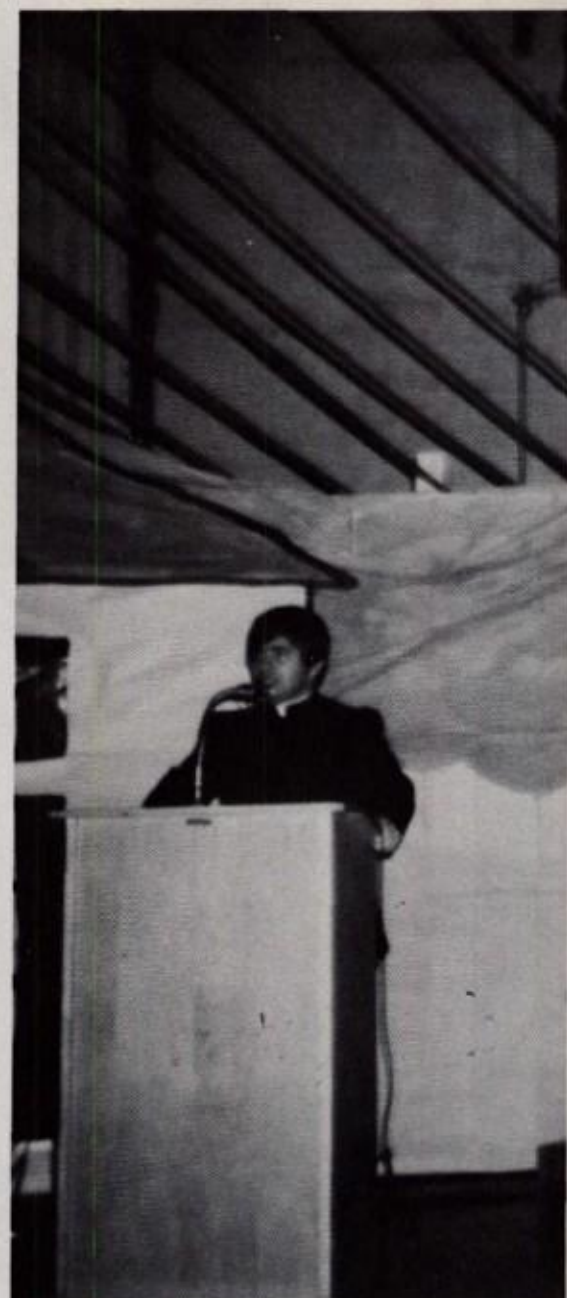

LEFT: Carolyn Stefek can't find her speech as she is to present Diane Kotrla, President, with a token of thanks.

ABOVE: Eileen Naizer gives F.H.A. Beau, James Cavanaugh, a gift and a kiss at the Mother-Daughter Banquet. Wonder why the smile?

FAR RIGHT: Father Isadore gave a very interesting and entertaining talk at the annual Jr. -Sr. Banquet. Many of us remember him, and it was a pleasing surprise for the Seniors when he turned out to be their speaker.

BELOW: Sharon Machu, Judy Vitek, Patricia Blaha, Barbara Kubacak, Judy Hyzak, and Monica Gorubec seem to be having a great time at the banquet and are enjoying their fried chicken.

MIDDLE: Donna Bohac, Edwin Repa, Lorna Shirocky, Mike Dlouhy, Eileen Naizer, Diane Kotrla, Bobby Cervenka, Katherine Clement, and Mike David are waiting for the entertainment at the banquet, which happened to be "The Dreamers."

FAR RIGHT: Mrs. Scott and Donna Kerlin pose for a picture after the banquet. Both had a great deal in it and they seem pleased with the results.

Superintendent

HERBERT L. SIDES

Mr. Sides has served the Granger school system for fourteen years and has done many wonderful things for it.

He is always there when there's a problem. He knows there's a solution to every problem, and he finds it. He wants everybody to get the best education possible, and we think he has done a great job.

Mr. Sides wants our school to be one which we can have great pride in. Thanks to you, Mr. Sides, it is one that we think could not be beat.

TOMORROW IS EARLIER THAN YOU THINK . . .

Time has a way of slipping by quickly. Particularly when it comes to saving money for important purposes, such as your children's education. When they stand proudly to receive that coveted high school diploma, what then? Where will the money come from for the pursuit of a higher education?

From us . . . if you start a regular save-for-education program today. You'll be surprised how only a small deposit every week . . . or two weeks will blossom into a sizable amount to enable your children to embark upon the road to a higher education. Start your children's save-for-education program with us today, so that tomorrow's education will take care of itself.

From grade school to graduation . . . for the student a seemingly endless amount of time, but to the parents a time that passes all too quickly, especially if they are not financially prepared for their child's higher education.

SMALL INVESTORS.

**\$20 a month
or \$20,000,
we treat you
the same.**

Mutual funds offer a way for people of modest means to enjoy many of the same advantages that big investors enjoy... such as full-time money managers and professional research specialists.

What's more, we have accumulation plans to help small investors buy mutual fund shares on an "installment" or contractual basis. Such plans are designed to help you set

aside a certain amount of money from each paycheck. This money is used to acquire fund shares in amounts you can afford. (In some cases as little as \$20 a month.)

Find out more about the mutual fund approach to investing. Find out how you can use an accumulation plan to get started *now*.

As we look back over the year, we remember the hall with all its noise and hurried footsteps. Now that school is out, it is filled with silence and emptiness. The Seniors will never be part of that noise and those hurried footsteps, but many of us will come back and start a new year. We will again hear the banging of the lockers and an occasional screech from someone who got hit on the head from the locker door above them.

The year ends and we leave good "ole" G.H.S., the Seniors never to return for classes. For them, it means looking into the future and seeing what it holds. For the rest of the student body, it means a summer of fun and then back again. One thing is for sure; we will never forget Granger High School and our many years spent here. We will never forget the happy times with our friends, the spirit of the football games, the thrill of victory, the laughs over a joke in a classroom, the tears of defeat, and the sadness of graduation. Our School Song best sums up the way we feel toward our GREAT SCHOOL, and we wouldn't trade it for the world.

Hail

Granger High School,
Glory To Thy Name,

Now And Forever,

Loyal And True;

With Faith Undaunted,

We'll Ever Be, True

To The School We

Love, Here's Our

Pledge To

Thee!
